## Before and Afterschool Fun and Fitness program!

Twisters Gymnastics Academy offers much more!

We know how hectic parents lives can be, that's why we do our best to help out. Our Fun and Fitness Program has been a real life saver! Our doors open at 7am. At that time, the children can be assisted with their homework or play in our gym area. Then it is OUR responsibility to get your child to school on time. This service is valid for all Elementary schools. After school, the bus will drop off your child, or we will pick them up in our 15-passenger van. When the students arrive at the Learning Center in the afternoon, the fun really begins. Each day, the kids participate in different activities and contests. We have Homework help if needed, games and contests. At school, the mind gets a work-out, here we make sure their bodies do, too! Children can be picked up no later than 6:00 p.m. . . [Let us make your lives a little easier! Join our Before and Afterschool Program today!](#)

## Summer Camp!

**Summer will be here sooner than you think!! It's never too early to start making your plans. Just wait and see what's in store for our campers this summer. Our program is well structured with a variety of physical activities. Campers participate in gymnastics and physical fun activities along with daily arts & crafts. They also enjoy games and plenty of outdoor activities to soak up some sunshine. Each week is highlighted by a theme and field trips (water park, amusement park, etc..) Every week the campers take a trip to the beach! The camp runs for 12 weeks in the summer and our hours are from 7am until 6:00 pm. The cost is \$95 a week and your spot can be held with a small deposit. Sign up for as many weeks as you'd like. We think our camp is the best around, if you don't believe us, ask some of the kids who participated last year! Our spots fill fast so pick up your registration packet today!!**

## Our Philosophy

Thank-you for your interest in our Learning Center . Our center is oriented around the needs of our children! We know that each child is unique;

therefore, we strive to make each lesson developmentally appropriate. We

have individual classrooms for each age group. Our enriching activities provide a strong foundation for entering elementary school. We provide children the opportunity to explore in a safe, nurturing environment.

Our new Learning Center offers Multi Rooms that allow us to design our daily activities towards the appropriate age group! We also have incorporated movement activities into our program as we believe that movement is an important part of a child's activities. We invite you to stop in and see our new building and check out our state of the art equipment! It is never to early to start learning!

## Infant Toddler Program

Our infant Toddler Program allows your child to listen to music and stories daily to enhance their listening skills. Our infants and toddlers also have music and movement time in our gym area! You can be assured that your baby is in great care with us as we will go to all measures to make sure that your child is well taken care of!!!! Children are considered infants and toddlers until their 2nd birthday!
